Inspired by the book of the same name, **Thriving in the Second Chair** is an event featuring church leadership expert and keynote speaker Mike Bonem. Second chair leaders carry important responsibilities but are ultimately not the ones in charge, making it easy to feel frustrated and burnt out.

**Thriving in the Second Chair** will equip you with the skills and tools necessary to play integral roles in your local church. Local church leaders will learn to focus on the ways in which they can *think and act differently* in order to cultivate a thriving ministry.

### KEYNOTE SPEAKER: MIKE BONEM

This three-day event will feature Mike Bonem, a consultant, coach, author, speaker, husband and father. He offers a unique mix of world-class consulting and executive leadership experience to help churches, ministries, and their leaders turn vision into results.
